*The Basics*

What is this program, and why do we have it?

By staying visible with the things, we do in our communities, the Community Service Program demonstrates ***“WHO WE ARE, WHAT WE DO, AND WHY WE MATTER?”***

That’s it in a nutshell – we show our Communities WHO we are by service for our Communities in our Communities – therefore we matter – ***WE CARE ENOUGH TO DO IT!***

*Year-End Reports*

The annual reports reflect the hard work of the Units for the year. If award requirements are met, each will be reviewed for Department and for National Awards. Send a copy to each of the Community Service Division Member and to the Community Service Chair.

*Reporting*

Pictures are not only allowed but Encouraged! Narratives are necessary for National reporting and will also be needed for Department reporting. Pictures help get our message across by showing ***WHAT*** we’re doing – think of all the pictures taken with a few short words that explain & describe ***Who, What, Why, and where.***

Let’s get a start showing Who we are in our Communities by displaying What we’re doing on these dates. We will be discussing more as the year goes on – ***stay tuned!***
