Why is this committee important to you and your unit?

The PPP committee is to share knowledge and experience of past Auxiliary leaders at every level for training and encouragement of potential leaders of tomorrow. Serving in this way it allows members to continue to be active service to the organization.

Additionally the PPP committee encourages units to submit candidates for Unit Member of the Year and promotes the Salute to Servicewomen awards. Donations and Fund Raisers are encouraged to support the Medical Scholarships.

So... This year...

Let's give them something to Taco 'bout!

The PPP committees at all levels are the Taco Shells

The beef or chicken are the Unit Members of the Year

The lettuce is the Medical Scholarship Funds

The cheese is the Salute to Servicewomen

And the sauce is the excitement members bring to this program!

What can you do?

- A. Establish a Past Presidents Parley Committee in your unit, In your District; In your Division!
How many past presidents still come to the meetings?
How many past presidents are still involved in programs?

Let them know you appreciate their experience and their help.

Be sure your unit recognizes the member that is always there to lend a helping hand no matter what is happening!

- B. Reach out to churches and civic organizations and facebook pages to find eligible and interested Servicewomen. This award looks great on their career resume'!

You can submit nominations for each branch of the military and don't forget the National Guard and the Reserves.

- C. Raise funds to help support the Medical Scholarship Fund. As you can see from the application, it benefits children & grandchildren of veterans that are residents of Texas and will be attending a Texas school in the medical field.

Let's have fun, recognize our past and future leaders as well as our servicewomen and raise LOTS of \$\$\$.

People are talkin'
Talkin' bout people
I hear them whisper
You won't believe it
They think we're drinkers
Don't know we're thinkers
Yes, We know it
but they keep saying

We laugh just a little too loud
We stand together & close
We work just a little too long
Maybe they're seeing
something we don't

Let's give them something to
taco 'bout!
A little mystery to figure out
Let's give them something to
taco 'bout!
How bout love
For our veterans
For our military
For their families
For each other...
