## The American Legion Child Welfare Foundation

### WHAT IS THE AMERICAN LEGION CHILD WELFARE FOUNDATION?

Established in 1954, The American Legion Child Welfare Foundation was developed as a repository of funds from individuals who wished to contribute to the betterment of children in this country.

They contribute to the physical, mental, emotional and spiritual welfare of children and youth through various programs and activities.

Not all American children grow up inside the comfortable definition of normal childhood development. For thousands, each day is a challenge marked by pain, prayer and perseverance. Many of these children require specialized care. To overcome their obstacles, they need help from you and The American Legion Child Welfare Foundation.

### What Can We Do?

"It is through the gifts provided to this foundation that children's lives are saved, their quality of life is improved, and they are taught traditional American values through your selfless actions and demonstration of integrity." - Rick Lofgren, president, Children's Organ Transplant Association
