

Holly Heatly was elected State President at our 104th Convention, July 9th 2023.

Holly is a 19-year member of Dallas Love Field Unit 453, thankful and proud of her eligibility through her father, Jim Heatly's service in the Navy during the Korean War. She is also eligible for service through the service of her older brother, Joe who served 24 years as a Navy SEAL and her younger brother, Hank service also in the Navy.

Holly is originally from San Antonio where she still has many friends and loves to visit. She is a lifelong avid San Antonio Spurs fan and loves to watch her boys when she can.

Holly moved to the Dallas Metroplex in 1995 and has remained since. She joined the Love Field unit on a suggestion from a friend. She has been actively involved since and the rest is history.

She has served her unit in many capacities including President. She has served as District and Division President and has chaired and served on many Department Committees as well as serving on the Girl's Nation, National Committee Member for Community Service, Southern Division National Security Chair and Southern Division AEF Chair.

With every office she has held and every committee she has served, Holly feels this is an opportunity for growth, knowledge and improvement. Holly loves the many opportunities to serve presented through the American Auxiliary's programs. Holly loves to share her passion and information with our members and believes in empowerment through education.
