BOND INFORMATION (CONTINUED)

IDEALLY, we should work toward *preventing* such losses from ever occurring. The overall effect on the integrity and morale is more damaging than the loss of money.

The following controls will not only help prevent losses in the Units, but will provide more reliable financial data:

1. Bylaws should provide for a regular (monthly or quarterly) financial report from the treasurer.
2. Bylaws should provide for an annual audit and specify how such an audit is to be made.
3. All bills should be paid by check.
4. Receipts should be issued for all monies received.
5. Requiring two (2) signatures on all checks is advisable, and **NEVER** pre-sign a blank check.

Discovery of a loss or of any occurrence which may give rise to a claim shall be reported as soon as practical to the Department Secretary, who will notify National Headquarters. The bonding company will then be notified.

The Department of Texas **MUST** pay National (*It is NOT OPTIONAL*) for this coverage; therefore, your Unit's payment of the \$10.00 annual bond fee will be appreciated.
