

Leadership

The American Legion Auxiliary is an organization that provides women of all ages, Junior and Senior members, the opportunity to develop and hone their leadership skills. Our organization depends upon an ever-emerging stream of competent new leaders, trained and guided by experienced ones, to assume leadership within the Auxiliary and advance its mission long into the future.

The Leadership Committee raises awareness of leadership development opportunities. This years 2018-2019 Leadership Committee encourages all members to take the ALA Academy Leadership classes that are available on the National Website, alaforveterans.org. We also encourage members to utilize the committee and hold local leadership classes for members and potential members. If you wish to hold a leadership training in your Unit or District, please contact one of the following Division Presidents or the committee chairman.
