

Won't you share a cup of coffee with me ?

A little cream to smooth out bitterness

A pack of sugar to bring our sweetness out

A stir-stick to STIR UP Patriotism & enthusiasm

Caring about each and every member

Offering a ride or a way to participate & be involved

Fairness during the meetings – listen & respond with love & respect

Feeling deeply about our programs, our veterans and our military

Effort made to contact members we haven't seen in a while

Excitement about the American Legion Family working together side by side for our mission

Public Relations means relating to our public in the Auxiliary, Legion, & SAL Family, too
